VISION

To build a leading learning institution that will consistently and successfully raise global champions with godly values

MISSION

To provide a full British curriculum in a world class learning environment with outstanding faculty and administrators committed to the well-being and success of students-intellectually, emotionally, socially and spiritually.

CORE VALUES

G – Godliness
R – Resilience
I – Integrity
C- Consistency
E – Empathy
E - Excellence

CELEBRATING THREE YEARS OF DIVINE PROGRESS

As I look back on the journey of our Academy, I am filled with overwhelming gratitude. What began merely three years ago with faith and a dream has bloomed into something extraordinary. We often called them “baby steps,” but in faith, **God has multiplied our efforts into giants’ strides.**

In this short time, our students have stood tall among peers from international schools across Nigeria, excelling in competitions, thriving in external exams, and proving that brilliance and character are not mutually exclusives. We are not just raising scholars; we are raising leaders, leaders who are guided not only by intellect but by integrity, compassion, and godliness.

This captures more than photos and stories; it tells of a school that is growing boldly with purpose. As we celebrate, I am reminded that this is only the beginning. **There are more milestones to reach, more victories ahead, and more lives impact.** And through it all, the Word of God remain our compass and our strength.

To our parents, staff, and every student,
you are the heartbeat of PIA.

Thank you for journeying with us.

With deep joy and hope for the future.

Pastor (Mrs.) Folu Adeboye
Founder

THREE YEARS OF PURPOSE, PROGRESS, AND PRIDE

As we celebrate the third anniversary of our school's establishment, we reflect with pride and gratitude to God on a journey that has been nothing short of remarkable. In just three years, we have transformed from a bold vision into a thriving institution, shaping young minds, nurturing excellence, and building a community grounded in values, creativity, and innovation.

From the outset, our mission has been clear: to provide world-class education in an environment that empowers every child to thrive, using biblical principles. Today, that mission is alive in our growing student population, now nearing 100 bright, curious, and engaged learners.

At the heart of everything we do is our commitment to raising a generation of well-rounded individuals who are academically sound, sound, emotionally intelligent, physically active, and spiritually grounded. All our learners are nurtured in an environment rooted in Christian values and guided by the truth of God's Word. These principles serve as the compass for character, compassion, and purpose in every step of their journey.

Our pursuit of excellence has earned us six prestigious accreditations: AISEN, APEN, Oracle Academy, Skills Builder UK, recognition as a Cambridge Assessment Centre, and acknowledgment by the British Council. These partnerships are not just badges of honour; they are springboards that enable our students and staff to engage with the best educational practices globally.

This year, we also commissioned our state-of-the-art sports complex, anchored by an Olympic-size swimming pool. We believe in nurturing the body as well as the mind and spirit, instilling discipline, teamwork, and resilience through sport.

Academically, our students have continued to shine, with an impressive 80% pass rate in the latest Checkpoint examinations. Their excellence extends beyond the classroom, reflected in strong performances during AISEN and APEN competitions. We were also honoured to host 22 schools during the AISEN Chess Tournament, a gathering that celebrated strategy, sportsmanship, and the spirit of unity.

Looking back fills us with pride. Looking forward, we are inspired. Our school stands today as a beacon of holistic education, lit by faith, fueled by purpose, and ready for the future.

Here's to the next chapter, Bolder, Brighter, and even more Impactful.

Students Leaders Investiture

Leadership in action!

Peaceville International Academy proudly conducted its Student Leaders Investiture, a vibrant and transparent process that highlighted integrity, responsibility, and the spirit of democracy among our students.

The journey began with the picking of application letters, followed by passionate manifesto presentations where aspirants confidently shared their vision for positive change. This was followed by a school-wide voting exercise, giving every student a voice in choosing

their representatives. To ensure well-rounded leadership, all aspirants also underwent an interview session with the management team, evaluating their readiness, character, and leadership potential.

Congratulations to all our newly elected student leaders! We believe in your potential to lead with purpose and inspire others.

#PeacevilleLeadership #Investiture2025 #RaisingLeaders #StudentVoice #PeacevillePride

Students' Leadership Training

The Leadership Training was held at the prestigious Olusegun Obasanjo Library in Abeokuta, Ogun State. The event which aimed to equip students with essential leadership skills and foster a sense of responsibility among future leaders. Several workshops, training sessions and fun activities were conducted throughout the day. Topics covered included: > Leadership styles and qualities > Communication and public speaking skills > Teamwork and collaboration > Problem-solving and decision-making and many more.

We Keep Blooming
